SOUTH BAY MAILING SERVICE

Addressing, folding, inserting, sealing envelopes, and adding stamps is a time-consuming and expensive task for retail outlets, clubs, and other organizations who are not equipped for the job of preparing mailing pieces. Two young men, Nate Starbuck and Harold Bowman, have undertaken to solve this problem inexpensively and efficiently. Their company, South Bay Mailing Service, 1733 Border Ave., Torrance, offers a complete mailing service, from the maintenance of mailing lists to delivery to the post office. For instance, they maintain subscription lists and do the mailing for several periodical publications; they maintain a mailing list for the dentists of California, and they maintain mailing lists for several of the large industrial plants in the area. A staff of five and the Speedamat addressing machine, insure accurate and speedy completion of whatever mailing problem is presented. Their office is open from 8 to 5 on weekdays, and from 8 to noon on Saturdays. A visit to their office or a call to FA 8-1924 will solve your next mailing problem.

HUFF'S

Epicureans who discriminate in their choice of sea food are sure to find exactly what they seek at Huff's, where the culinary achievements of Chef Lobel and the managerial "know how" of Bob Mason happily blend to provide an ideal working arrangement. Since this popular around the clock eating establishment was opened in November, 1956, it has gained constantly in patronage and service. Today a staff of 24 caters to the needs of a wide variety of appetites. All are proud of the Eastern Choice steaks offered at Huff's, char-broiled, of course, and delicious Huff's features, scallops, and halibut in the seafood line. There is a very satisfying breakfast, shrimp, lunch and dinner menu, plus continuous fountain service in a delightful, air conditioned atmosphere. Located at 2125 Torrance Blvd., at one of the busiest corners in Torrance, this energetic business organization strives constantly to give patrons the best quality of food and service. Join the happy patrons at Huff's!
